## EVENTS INFORMATION:

Saturday, October 1, 2011

The ASES National Solar Tour is the world's largest grass roots solar event that offers you the opportunity to tour innovative green homes and buildings. View how you can use solar energy, energy efficiency, and other sustainable technology to reduce monthly utility bills and help tackle climate change.

Elkhart 4-H Fairgrounds - Building F

# TOUR & FAIR KICK OFF

Tuesday, September 27 6:30pm-7:45pm

Please join us at the Goshen Library to hear State Representative, Wes Culver, discuss Indiana's current "Green" movement. Beforehand, Richard Miller will talk about how to conserve energy using the library's new Kill-O-Watt meter rental program and to end the event, Leon Bontrager, owner of Home Energy LLC, will share the details about the 2011 Sustainable Living Fair & Solar Tour.

Wes Culver
